Serie 50

Family	Armchair / Small armchair / Sofa / Small sofa / Bench / Chair
Designer	Antonio Rodriguez / 2012 / 2013

IT Una reinterpretazione in chiave contemporanea del design degli anni Cinquanta. Di quel decennio, centrale per la storia del disegno industriale, Serie 50 riprende compostezza e rigore, alleggeriti dallo spazio tra sedile e schienale e dai piedini sottili, che nella versione in legno diventano un interessante dettaglio d'ispirazione nordica.

EN

A contemporary take on 1950s design. It was a key decade in the history of industrial design. Serie 50 has borrowed the orderly, exacting approach from the time and lightened it up with a space between the seat and the backrest and slender feet, which add an interesting Nordic flavour in the wooden version.

FR

Le design des années cinquante revisité dans un esprit contemporain. De cette décennie, cruciale pour l'histoire du design industriel, Serie 50 reprend la sobriété et la rigueur, allégées par l'espace entre l'assise et le dossier ainsi que par les pieds fins qui, dans la version en bois, deviennent un détail intéressant d'inspiration nordique.

DE

Die Neuinterpretation eines Designs aus den Fünfziger Jahren in zeitgemäßer Lesart. Aus diesem Jahrzehnt, das für die Geschichte des Industriedesigns entscheidend war, übernimmt Serie 50 die zurückhaltende Strenge, die von dem offenen Bereich zwischen Sitzfläche und Rückenlehne wie auch von den schmalen Beinen aufgelockert wird, die sich bei der Ausführung aus Holz in ein interessantes Detail im nordischen Stil verwandeln.
