Nap	
Family	Armchair / Sofa / Dormeuse / Ottoman / System
Designer	Andrea Steidl / 2019

IT Una seduta morbida e composta, che allude al riposo nel nome e nella forma. Nap è una reinterpretazione del guanciale in versione maxi e in ottica sartoriale, con cuciture studiate per accrescerne l’aspetto pieno – come il pipe che delimita i cuscini e le pince orizzontali. Elemento di comfort in più, il cuscino poggiaereni: fissato allo schienale con una zip invisibile, assicura al divano la giusta compostezza, nelle situazioni del contract così come negli ambienti residenziali. Completano la struttura i piedini in legno di frassino naturale o tinto dal design minimale, che quasi scompaiono sotto la ricca seduta.

EN Both the name and the shape of this soft, smart seat evoke the idea of restfulness. Nap takes the idea of a pillow and recreates it in an extra-large, sartorial form, with seams that are designed to give it even more of a packed appearance, such as piping around the edges of the cushions and horizontal darts. Extra comfort is added by the lumbar support cushion, which is attached to the backrest by a concealed zip. It gives the sofa a tidy appearance that is ideal for both the contract market and household settings. Rounding off the structure are ash feet, which are available both painted and in the natural colour of the wood. They feature a minimalist design and almost entirely disappear from view under the sumptuous seat.

FR Une assise douce et bien structurée, dont le nom et la forme évoquent le repos. Nap est une réinterprétation de l’oreiller en version maxi et dans une optique « sur mesure », avec des coutures conçues pour mettre en valeur les volumes – comme le passepoil qui délimite les coussins et les pincés horizontales. Élément de confort supplémentaire, le coussin de soutien lombaire : fixé au dossier par une fermeture éclair invisible, il assure une parfaite ergonomie du canapé, aussi bien en situation professionnelle qu’en milieu résidentiel. La structure est complétée par des pieds en frêne naturel ou teinté au design minimaliste, qui disparaissent pratiquement sous le siège généreux.

DE Ein weiches und kompaktes Sitzmöbel, dessen Name und Form auf ein Nickerchen anspielen. Nap ist eine Neuinterpretation des Kissens in einer Maxi-Ausführung mit Details, die der Schneiderkunst entlehnt sind: Die Nähte betonen das voluminöse Erscheinungsbild – wie die Paspelierung an den Kanten der Kissen und die waagrechten Abnäher. Ein weiteres komfortables Element ist das Lendenstützkissen: Es ist mit einem unsichtbaren Reißverschluss an der Rücklehne angebracht und gibt dem Sofa sowohl in den Contractbereichen als auch in Wohnräumen den richtigen Halt. Füße aus naturfarbenem oder gefärbtem Eschenholz mit minimalistischem Design, die fast unter der großzügigen Sitzfläche verschwinden, ergänzen das Gestell.
